

## **Conflict of Interest**

Conflict of interest is a terminology used to describe the clash between a fiduciary's self-interest and the goal of the organization he/she/it represents.

Section 107(h)(1-2) of WIOA discusses conflict of interest for Local Workforce Development Boards (LWDB). Each LWDB must establish a conflict of interest and code of conduct policy. These policies will ensure that employees, individuals or representatives of organizations entrusted with public funds will not personally or professionally benefit from the award or expenditure of such funds.
